

***SAT Passengers for Calendar Year Thru August 2012 up 1.6%***  
***International Passengers up 150%***

For calendar year-to-date (Y-T-D) through August 2012, San Antonio International Airport (SAT) passenger counts totaled 5,543,562 and the number is ahead of the same period in 2011 by 1.6%. Of the total number, domestic passengers (5,277,226) are down 1.4% while international passengers (266,336) are 150% above the counts reported through August 2011.

For the month of August 2012, total SAT boarding passenger counts (352,989) are up 3% and total enplaned and deplaned passenger figures (722,249) are up 2.8%. During August 2012, the domestic passenger count (679,163) was down 1.5% while international passenger numbers (43,086) were up 228.5%. The increased international passenger count was primarily due to new Mexican-based airlines entering the San Antonio market in late 2011, and AirTran starting new scheduled non-stop flights to Mexico City and Cancun in May 2012.

Through August 2012, calendar Y-T-D total air cargo (174,368,172 pounds), which includes both freight and mail, was down by 2% when compared to the same period in 2011.

For additional information, contact Barbara Prossen, A.A.E. at (210) 207-3459.
