

YTD thru November 2012 - All SAT Passengers up 1%
International Passengers up 160%

For calendar year-to-date (YTD) through November 2012, San Antonio International Airport (SAT) passenger counts totaled 7,559,952 and that number is ahead of the same period in 2011 by 1%. Of the total number, domestic passengers (7,187,619) are down 2.2%, while international passengers (372,333) are 159.6% above the counts reported for calendar YTD through November 2011.

For the month of November 2012, total enplaned and deplaned passengers (700,391) are up 2.5% and total domestic and international passengers (348,831) boarding flights at SAT are up 3.1%. During November 2012, domestic passengers (656,117) were down 1.9% while international passenger numbers (44,274) were up 208.5%. The increased international passenger count was primarily due to new Mexican-based airlines starting service in the San Antonio market during late 2011, AirTran starting new scheduled non-stop flights to Mexico City and Cancun in May 2012 and the Formula One race held in November 2012.

Through November 2012, calendar Y-T-D total air cargo (238,395,716 pounds), which includes both freight and mail, was down by .67% when compared to the same period in 2011.

For additional information, contact Barbara Prossen, A.A.E. at (210) 207-3459.
