

SAN ANTONIO INTERNATIONAL AIRPORT CONSOLIDATED RENTAL CAR FACILITY

There are several companies to choose from when renting a car at San Antonio International Airport. Car rental counters are located in the lobby of our Consolidated Car Rental Facility. Take the elevator or escalator to the Mezzanine Level in Terminal B and cross the Sky Bridge.

On-site access eliminates the need for shuttles to deliver passengers to rental facilities.

Fewer shuttles around the airport property improves traffic flow and accessibility for picking up and dropping off passengers.

Opened up nearby properties once occupied by car rental companies for future development.
