

*Calendar Year thru September 2012 - All SAT Passengers up 1%
 International Passengers up 150%*

For calendar year-to-date (YTD) through September 2012, San Antonio International Airport (SAT) passenger counts totaled 6,153,830 and that number is ahead of the same period in 2011 by approximately 1%. Of the total number, domestic passengers (5,859,461) are down 2%, while international passengers (294,369) are 150% above the counts reported for calendar YTD through September 2011.

For the month of September 2012, total enplaned and deplaned passengers (610,268) are down 4.7% and total domestic and international passengers (303,788) boarding flights at SAT are down 5.4%. During September 2012, domestic passengers (582,235) were down 7.5% while international passenger numbers (28,033) were up 152%. The increased international passenger count was primarily due to new Mexican-based airlines entering the San Antonio market in late 2011, and AirTran starting new scheduled non-stop flights to Mexico City and Cancun in May 2012.

Through September 2012, calendar Y-T-D total air cargo (195,099,117 pounds), which includes both freight and mail, was down by .58% when compared to the same period in 2011.

For additional information, contact Barbara Prossen, A.A.E. at (210) 207-3459.
