TUSKEGEE NEXT

AIM HIGH FLIGHT ACADEMY

SUMMER FLIGHT PROGRAM

The Tuskegee NEXT Summer Flight Program offers teens an opportunity to:

- ✓ Attend 8-week scholarship program in Chicago.
- ✓ Earn FAA licenses for manned and unmanned aircrafts.
- ✓ Meet students from across the U.S.
- ✓ Strengthen leadership skills.
- ✓ Learn essential skills needed to become an aviator.

Must be 18 by June 1 of program year.

From a very young age, I dreamt of what it would be like to actually be in the sky, and to be able to fly a plane. I hope to inspire young girls throughout my community and culture about the wonders and excitement of aviation, as well as all the possibilities of dreaming big.

MEET MARIANA LOZANO

Marina is an East Central High School graduate who attends Texas A&M University-San Antonio. She earned a \$36,000 scholarship to attend Tuskegee NEXT and earned her Private Pilot's License.
